#### MESSAGE FROM THE PRESIDENT

South Dakota Engineering Society Members

Hello everyone and Happy Holidays from the Black Hills Chapter of SDES.

For those of you that do not know me, allow me to introduce myself. My name is Chris Bailey and I am your Black Hills Chapter President for 2014-2015. I work for HDR Engineering as a project engineer and I have been with HDR in Rapid City since August 2007. I grew up in Sturgis, SD and graduated from SDSMT in 2006 (BSCE). When not working I enjoy all outdoor activities especially golfing, hunting, and fishing and spending time with family.

I am looking forward to a great new year as we have some great opportunities that will enhance your knowledge and hopefully peak your interest.

Thank you for your interest in SDES. Without you, we cannot be successful! Have a great Holiday Season!
